

i went over to St Gons Bay the other day
i staid so long i like to never get away
i waet in to the longyatial church
the out side is maill of stone the in side
is birch i waet up in to the Pulpit
And maill as speak it soundet
good as far as it wood crack
i then went up the Casumpsiek
Railroad line it is the Best Railroad
i ever lit find the soon toack us
up to mayoy lake and thair
i was wit awaek and on that lake
We had som fun looken at the
ganke and the English man
i then went up to Beebe plain
i shoot like to go thair again
the had a lamp meten in the woods
Every wood the I spook it soundet
good the man that I spook
His name was Hyrum mungler
And when he spook
his vois roart like thunter

i then went up to derby line the
most woonter full town i ever lit find
i stagt with a farmer all nit
startet for island pont soon as lit
to island Pont is twenty miles
to travel that distance lit not tak
me but a little whill

then com down the hegan river it was so cold it maill
me shiver i then com to north stratford town the
the butifful villeye the i found i then com to the Spring
untell the landlort used me well he has got six ^{miners} springs

Stark for land point soon as it
to land Pond is twenty miles
to travel that distance it not tak
me but a little while

when I came down the began river it was so cold it made
me shiver I then came to north Stratford town the
the beautiful villeye there I found I then came to the Spring
Hotell the landlord used me well he has got six Springs
under the hill the water cures every ill
I then came to Stratford hollas my throat was so sore
I could not swallow I then came to the Melcher
Hotell and there I soon got well I went from there to
Stark I did not get there till after dark
the Stratford Beaches there in sit but it was
so dark I could not see them in the nit
the north Pond is in stark there is where I heard
the Bullfrogs Bark the Pond is on By
Rowell and Ray and Welek gals fisher
every day next place I stoppt was miland
corner when I got there the wether was
warmer At the upper end of Berlin street
there is a Culp mill built done at the
make Culp with all ease and press it
in the shape of a sheet -

I should have heard of
Anles & cogen when I singre and lo
do a pile of loayen out of the Berlin
falls when the water rushes there
between to mighty walls and on the
opposite shore stands the
greatest operation the greatest
Paper mill in this nation
they have got 39 feet head on their
wheal and it will grind & prase
Goog's fine as meal

they take the prase lays in the
mill soon as it and have the
make in to Paper for nit

10 miles below Berlin falls the cascade
it falls

Wheat and corn were given to
Goog's fine as meal
The top of the house lays in the
mill choon as lit and have the
maker to Paper for nit

to miles below Berlin falls the cascades
rise over the granite walls
Swiss Bridge goes east the stream
most wonderful sit that was ever seen
we now go down the grand trunk line
to Gorham Hotel called Alpine it is
Eight miles to the Glen and it is kept
By Milleken From the Glen to the
top of Mount Washington to ride up there
is from ~~the~~ the turnpike was built
about ~~so~~ twenty years ago and is
and by Piney and so

There is Barber's Hotel in Lacomb town
On every road I found I travel
up to the Carter's notch to every
house I stop

The last house I come to is Perkins
east of notch House and that I was ~~Perkins~~
still as a mouse

Perkins leaps the Carter's notch
Hotel and it is a new House and furnished
~~is not no very well~~ well

As I travel up will eat river
I come to the falls it is the
Earth quiver

and little above the falls
the Gayle mountain hotel

Bets them all
sit of that mountain

1. I am to the falls it mat the
Earth quiver

And little above the falls
the Eagle mountain hotel

Beats them all

And on the side of that mountain

is a dell and the American

Eagle makes a swell

And in the valley stands

the Thorn mountain Hotel

And it is none all over the

quintel it is so well

And the land lot is so polit

He used every one just alike

And i gest it topt to grays in

theusel in well as any house

i have bin

And then i went over to iron mountain

Hotel and that is wher the will use

Every one well

And then i stoppt to glen ellis hotel

Nick Stillins use to keep so well

And now it is kep. By Tompson and

Nicks relation and is the Best
House in the ~~nation~~ nation

Jackson is three miles from glen

Station and for curasity

Beats the nation
